

Improving the quality of life in southern New Jersey through transportation solutions.

Carpooling ▪ Vanpooling ▪ Mass Transit ▪ Telecommuting ▪ Flex Scheduling ▪ Walk & Bike to Work

Cross County Connection Transportation Management Association (CCCTMA), announces an important, reliable and uniquely-personalized, free mobile safety tool designed to help you quickly determine the best emergency routes and travel options, right from your smartphone, in the event of hazardous conditions.

NJ Evacuation. www.njevacuation.com

Simple. Convenient. Ready to assist when an emergency strikes. The NJ Evacuation App was developed as a quick reference tool that displays an interactive map of critical evacuation routes, right on your mobile device, during an emergency situation.

This exclusive application, developed by CCCTMA's acclaimed, in-house GIS mapping and transit technology experts, works with built-in GPS capabilities on iPhone and Android-enabled devices to zone in on an individual user's specific, geographical location and immediately identify safe travel options, statewide throughout New Jersey.

Evacuation App Features:

- Your approximate GPS location will be shown on the map along with nearby evacuation routes.
- Official NJ Office of Emergency Management evacuation routes along state highways are displayed in grey on top of the road map.
- The 'Emergency Status' icon shown in the top left hand corner of the screen will change in the instance of an emergency (e.g. Hurricane Warning).
- In the case of an evacuation, Emergency Shelter locations (to the extent known) will be displayed in red to assist with the identification of the closest shelter.

Being prepared is the best safeguard for any emergency. Download this free app today!

Cross County Connection, a nonprofit organization, partners with the North Jersey Transportation Planning Authority (NJTPA), the New Jersey Department of Transportation (NJDOT), the Delaware Valley Regional Planning Commission (DVRPC), the South Jersey Transportation Planning Organization (SJTPO), member organizations and the U.S. Federal Highway Administration, to provide solutions to complex transportation problems for counties, municipalities, employers and in the southern New Jersey region encompassing Atlantic, Burlington, Camden, Cape May, Cumberland, Gloucester and Salem counties.
